INTERNATIONAL AIRPORT**

TOTUS

Sector: Commercial/Leisure

Client: Denizen

Scope of Works: Design, Mechanical and Electrical New Build

Contract Value: £2.3M

Multimillion pound hotel and restaurant development located at Exeter International Airport.

The four storey, 120-bedroom Hampton by Hilton Hotel is the largest hotel within the area and includes the adjoining Marco's New York Italian restaurant

owned by notorious Chef Marco Pierre White.

The hotel has a range of contemporary features including walk-in shower rooms, air conditioning and wi-fi throughout. The hotel opened in April 2013.
