

CASE STUDY WATERGATE BAY HOTEL

TOTUS

Sector: Leisure

Client: Watergate Bay Hotel

Scope of Works: Mechanical and Electrical

Contract Value: £350k

After the demise of the M&E contractor "Colston", Totus were approached by Will Ashworth, the owner of The Hotel, to react and assist with starting and completing this new project in a demanding time period.

The works consisted of a new infinity swimming pool, spa treatment rooms, a gymnasium and infinity bar with external decked circulation areas.

Totus installed the above services with an ever changing template as the client strove to create the look the Hotel is famous for. The building opened on schedule and is a major feature in the Hotel's marketing strategy.

Services Provided:

- LTHW Heating
- Swimming Pool Ventilation
- Lighting
- Power
- Fire Alarm System
- Security Alarm System
